

Engine/Evaporative Systems Information ESI/EvSI

Table 8. On-board Diagnostics ICI Production Year (Column 12)

Codes ²	OBD Status
A - C (excluding I)	For Federal: OBD = No For California only: CARB OBD I or OBD not applicable for CARB.
K - T (excluding O)	For Federal: OBD = Yes For California only: CARB OBD II

Code	Special Compliance Option
U	NCP Federal: OBD = No California only: CARB OBD I or OBD not applicable for CARB
V	NCP Federal: OBD = Yes California only: CARB OBD II
W	Averaging or Banking/Trading Federal: OBD = No California only: CARB OBD I or OBD not applicable for CARB
X	Averaging or Banking Trading Federal: OBD = Yes California only: CARB OBD II

For Independent Commercial Importers Only	
Code	
5	Production year is 5 years earlier than the certification model year.
4	Production year is 4 years earlier than the certification model year.
3	Production year is 3 years earlier than the certification model year.
2	Production year is 2 years earlier than the certification model year.
1	Production year is 1 year earlier than the certification model year.
0	Production year is the same as the certification model year.

²The first code listed is the preferred code. Other codes may be selected if necessary to separate engine families that would otherwise be named the same.
